ANY FURTHER COMMENTS ON WASTE / RECYCLING

Today we met with Mrs Read from the school catering company.
When asked about why we don't recycle food, she said this was because we don't have the equipment.
We need to find out what we would need and contact Norse about how we could facilitate this.
Meals – waste depends on the meals we serve.
Sausage, mash and beans, curry – popular
Vegetables not popular.
We need a compost bin (bins); we need to sort and recycle more effectively
We need Norse to help us sort this out.
Trip to the recycling facilities?
We need to find a way to weight the waste so we know how much we are disposing of.
