

Dear Parents and Carers

Have you thought about becoming a Parent Governor?

We have vacancies on the school Local Governing Body for Parent Governors and I am writing to encourage you to put your name forward. Being a governor can be very rewarding. Do not worry if you have no experience in education matters as full training and support are available from Evolution Academy Trust and your colleagues on the Local Governing Body.

Becoming a Parent Governor offers you the opportunity to make a real contribution to the life and work of our school. Governors play a key role in the leadership of the academy and work together with the Headteacher, staff and other governors to ensure that our school provides a challenging and supportive environment for all its students.

Who can be a Parent Governor?

All parents and carers of registered students are eligible to become Parent Governors, whether or not they live with the student. Someone who has parental responsibility or day-to-day care of a student is also eligible to serve.

How often do Governors meet?

We currently meet once every half-term, so six times in the academic year. Our next meeting is scheduled for Thursday 28th February, at 4.30 pm. In addition to our regular meetings, Governors have opportunities to attend training events.

The closing date and time for the receipt of applications is Monday 25th February by 3.15pm. If you are interested and would like to find out more, then please contact us.

We look forward to hearing from you.

Yours sincerely

Sophie Coolbaugh
Chair of Governors
