Dear families,

The children have been working extremely hard on their science and the festival that marks the end of the project is nearly upon us. For those of you who have, in the past, joined us for our big celebration of all things science, this year's event will look a little different. It will be across two days as follows:

Day 1: Tuesday 3rd December

Day 1 will be for **children and staff only** and will see the kids presenting their science projects to each other. The day will be split into four sessions. The children will present in two sessions and then have the opportunity to be in the audience for two sessions.

Day 2: Wednesday 4th December

Day 2 will have more of a festival feel with presentations, workshops, demonstrations and a series of Q&A sessions where children will be able to put their science questions to a panel of experts. The day will also include the **family showcase** which will be your opportunity to come and listen to the presentations for yourself. In order to keep things as simple as possible, each year team has been allocated its own time slot. If you are able to come along, please complete the reply slip below and return to the school office by **Friday 22nd November** so we can make the necessary arrangements. On the day, please arrive 15 minutes before your session so you can take your seats. If you have any further questions, please catch one of us on the gate.

Yours sincerely,

Peter Hubery

Working as Scientists Festival of Science

Family showcase, Wednesday 4th December

Please return the reply slip to the school office by **Friday 22nd November**

Session	Tick to attend this Session	Number of Seats Required
1: 10.15 – 11. Maple class and Year 6
