Dear families,

I am writing to you with some exciting information about a couple of important upcoming events. Both take place on **Monday 23rd March**.

### **Working as Historians - schools research conference**

This term we have been *working as historians* exploring songs and stories from Norwich's rich past. You are invited to come into school during the day to find out more. Each year team has been allocated a 45 minute slot during the morning where they will present their work to peers and families. If you are unable to join us in the morning we are opening up our classrooms in the afternoon. We will also be joined by Y4 children from Avenues Junior School in the afternoon who will be exhibiting an art installation produced as part of their history work. The performances and open classrooms will replace the Parent Teacher Meetings for this half term.

Below is a timetable for the day. Please note the different arrangements for year 5.

### **Morning: performances and open classrooms**

- Year 3: 9.15 - 10
- Year 4: 10.30 - 11.15
- Year 5: Off site at Alive Church - dress rehearsal and final preparations
- Year 6: 11.30 - 12.15
- Maple: 11.30 - 12.15

### **Afternoon: open classrooms**

- Year 3: 2 - 3
- Year 4: 1.30 - 2 & 2.30 - 3
- Year 5: Off site at Alive Church - performance 2 - 3
- Year 6: 1.30 - 2.30
- Maple: 1.30 - 2.30
- Avenues Junior School: 1.30 - 3

**Norwich City Council's 2040 City Vision community briefing: 3.45 - 5**

You are warmly invited to join us for our Norwich 2040 City Vision community briefing. Norwich City Council's 2040 City Vision identifies five themes for the transformation of our city over the next 20 years. There themes are:

- A creative city
- A liveable city
- A fair city
- A connected city
- A dynamic city

The briefing will be led by the leader of Norwich City Council, Cllr Alan Waters, who will introduce the vision. This will be followed by two short presentations looking at two of the city's immediate priorities - a strong voice for young people and tackling homelessness. Please join us to find out more about this vision and how we plan to support it through our work in school. Google Norwich 2040 city vision to find out more. Refreshments will be provided.

If you have any questions or would like to discuss further then please come and speak to me. We will be in touch with more details closer to the time. Meanwhile, get the dates and times in your diary.

Yours sincerely,

Peter Hubery
