Save our Planet Don't Throw It - Bin It

A fresh, environmentally friendly approach to textile recycling banks – help raise funds for your school

A big hello from the team at Recycled Clothing Banks

We work with primary and secondary schools across the region installing textile recycling bins onsite to raise awareness and money for school projects.

With cuts in educational funding, more and more schools are now relying on the generosity of the school community and fundraising events – but we can help!

Benefits of working with us:

- You can earn a whopping £300 per tonne, per annum by donating your pre-loved clothes which we pay direct to you on a bi-monthly basis; if the market price increases, then so does the amount we pay you!
- Did you know that 94% of the clothes we collect are kept out of landfill sites? We are truly passionate about recycling unwanted clothes and reducing environmental damage as much as possible.
- Working incredibly hard to collect clothes donations, we can help you to purchase new equipment, build new facilities, create new educational programs and set up pre/after school care with the extra cash.

Recycled Clothing Banks are always happy to talk about fundraising schemes for schools and local communities

- It's also a great way to teach pupils about the importance of recycling and how it helps to create a greener world for them to enjoy.
- The work we do doesn't stop there; we are committed to helping our charity partners through volunteering and ongoing support especially with homeless charity, HandsOnLondon and The Samaritans. It also raises awareness about communities who are far less fortunate than us in the UK and overseas.
- You don't have to worry about any unsightly mess because our expert uniformed and ID-wearing team keep your textile recycling bins clean inside and out, as well as leaving your recycling point tidy and rubbish-free.

Take a look overleaf to see our amazing branded recycled clothing bins in action.

Start making money through textiles recycling and contact us today to order your FREE branded recycled clothing bins on **020 3903 9933** or email us at **enquiries@recycledclothingbanks.co.uk**

A big hello from the team at Kids Fill The Bag!

Kids Fill The Bag!

We provide a fun and educational way for children to learn about the importance of recycling and how to create a greener world for us all to enjoy. Working with primary and secondary schools, PTAs, Scouts & Guides and kids clubs across the region, Kids Fill The Bag can help you raise money for school projects and out of school clubs, simply by filling a refuse bag with unwanted clothing and paired shoes.

Benefits of working with Kids Fill The Bag!

- You can earn up to a whopping £400 per tonne, per annum by donating a minimum of 40 refuse bags full of your pre-loved clothes which we pay direct to you. If the market price increases, then so does the amount we pay you!
- Did you know that 94% of the clothes we collect are kept out of landfill sites? We are truly passionate about recycling unwanted clothes and reducing environmental damage as much as possible.
- Working incredibly hard to collect clothes donations, we can help you to purchase new equipment, build new facilities, create new educational programs and set up pre/after school care with the extra cash.
- It's also a great way to teach kids about the importance of recycling, how to help others in poorer communities in the UK and overseas and reverse environmental damage.
- The work we do doesn't stop there; we are committed to helping our charity partners through volunteering and ongoing support especially with homeless charity, HandsOnLondon and The Samaritans.
- All of our collection team members are uniformed, DBS checked and wear ID for everyone's safety.

Start making money through textiles recycling and contact us today and start your Kids Fill The Bag challenge! **Call 020 3903 9933** or email us at **hello@kidsfillthebag.co.uk**

Use of plastic bags

As part of our initiative to help save the planet, we no longer provide our branded bags to you, but we do encourage you to use or recycle bags from home to help reduce the amount of plastic in our environment.

Collection day

Once your school or club has collected a minimum of 40 bags of pre-loved clothing and shoes, we will arrange a collection day to take away all your wonderful textile donations. Once, the filled bags have been sorted and weighed, we will provide you with a Certificate of Achievement and payment depending on the weight collected at the going rate of £400 per tonne (40p per kilo).

Take a look overleaf and find out how to get an extra £100 for your school or club to support your fundraising initiative.
