

For clarification

Year 3 children need to be self isolating at home until Saturday 28th November and will return to school on Monday 30th November.

Year 6 children need to be self isolating at home up to Monday 30th November and then will return that day to school

Only the child with direct contact with the member of staff needs to isolate. No other family member will need to isolate unless they are displaying symptoms. If a child is isolating they should NOT be outside the house

If you are struggling to get siblings to school, please contact the school. In emergency cases if your isolating child has to do a school run with you and there is no other option please could they wash their hands before leaving home and again when they return home and wear a mask for the journey.

Thank you for your co operation at this time.

Victoria McConnell
