Korfball Club

Korfball Club will be starting up again from Wednesday 6th October. Korfball is a fun and fast team sport and is one of the few mixed gender sports in the world. The aim is to get the ball in the basket (Korf) more often than the other team to score a goal. It is similar to basketball, netball and handball and involves many of the skills in those games. The game is so fun, open and inclusive and anyone can play and everyone has an active role. Everyone gets to attack, defend and shoot the balls. Here is a short video of the Dutch Under 16 team in a school so you can see what it looks like <https://www.youtube.com/watch?v=3gFSH8mq2N0> (NB Last digit is a Zero)

The club will be open to all year 3-6, and there will be a fee of £20 for the autumn term.
