Dear families,

We have now started three weeks of workshops with our arts partners to get ready for this year's **Lord Mayor's Celebration Weekend parade**. As part of the project launch on Monday the children enjoyed finding out more about our oceans theme from visiting scientists as well as having an opportunity to meet the artists they will be working with.

Our next job is to get as many children (and families) to sign up to join the parade on Saturday 6th July. We will have amazing costumes that need to be worn and puppets that need to be carried. Both of these elements are vital to bring the parade to life. Final details are to be confirmed, but the commitment will be for approximately 3 hours on the afternoon of Saturday 6th July. We meet an hour before the parade starts to finalise preparations, and the parade itself usually takes about 1.5 hours. We will meet from 3.30pm so should be finished by about 6.30pm. If your child would like to sign up then please complete the reply slip below and return to the school office by **Wednesday 26th June**. If you would like to join us then that'd be great. If you have any questions then please let me know,

Yours sincerely,

Peter Hubery

Deputy Headteacher
