Dear Family,

We are getting a lot of calls to our pupil absence line and we're having to ring a lot of people back for more information.

It would save us a lot of time if you could leave specific details of what is wrong with your child. Please don't just say they're sick or ill.

If your child has a temperature or a new cough, then you should seek advice and self-isolate for 14 days.

If you are self-isolating, please say this on your message.

We will be getting workbooks ready to go home by the end of the week. If you are self-isolating, could you make arrangements for these to be collected? If you cannot collect, please let us know.

We will be putting information on our website too, so please keep checking that.

Yours faithfully
