SCHOOL PHOTOGRAPHER IN SCHOOL ON MONDAY 5TH OCTOBER

On Monday 5th October Lafayette Photography will be in school to take individual school photographs for you to purchase. Please note that due to current circumstances we will not be able to take photographs of siblings together

We have been supplied with a full risk assessment from Lafayette.

Proof cards will be printed which will be distributed to your child at school. You will receive separately by email a list of the prices for the photographs to minimise the handling of paper.

Any orders you wish to place will need to be placed direct with the photography company. We will **not** be able to accept any orders into the school office. Details of how to do this will be on the proof card.

To save postage costs for families we have agreed that all orders will be delivered to school for distribution to yourselves. Once the orders are received by the school office they will be placed in quarantine for 72 hours before distribution to families

Important Y3. Year 3 have Forest Schools/PE on Mondays. Please send your child in their uniform with a change of clothes for Forest Schools. They will be photographed first thing in the morning and can then change for Forest Schools. Please ensure they have a bag which their school uniform can go into after they have had their photograph taken. This can then be left on their peg until collection time at the end of the day
