Dear parents and carers,

Teachers have been busy assessing all pupils in spelling. This has enabled us to see what words and spelling patterns your child already knows and what they need to work on next.

Your child will be given a new set of spelling words each Monday, using the online program Spelling Shed. They will find their list when they log on and click on 'Your Lists'. Children then choose which spelling activity they want to do to practise these spellings. The activities are designed to be fun and to build confidence in spelling.

Teachers will monitor children's progress closely and provide children with a weekly Spelling Shed slot in school time too. Please support your child by making sure they have a time each week when they can practise at home. They should be able to complete the activities independently, once logged on.

Teachers have sent out details of your child's username and password. If you need a reminder, please email Monica Kirkland, who can email these to you: hub@wensum.norfolk.sch.uk.

Thanks for your support,
Sam Naylor
English Lead
