

Dear Parents of Wensum Junior School,

We have some spaces available in our Sistema in Norwich after school club, which gives children an opportunity to learn a musical instrument and become part of an Orchestra.

Your child has seen an introductory video in school highlighting the experiences that they will receive once they join the Sistema In Norwich programme. You can see that video here: <https://youtu.be/YdXM0GfVJMw>

If your child would like to join Sistema in Norwich, please [click here](#) to complete the online form and we will be in contact with you very shortly.

You can find out more about the programme on our website - <https://www.norcasistema.org.uk/>

Yours faithfully
The Sistema in Norwich Team
