---

Dear Parents/Carers,

As you are aware, we use Seesaw across our two schools. We have found it to be a really great way for children to store and share evidence of their learning with families. You will have signed a consent form for your child to use Seesaw. This was done at the start of the year and is in line with the laws around data protection. We now need to update permissions because we want to change how we use Seesaw. Please read the following carefully.

We are doing a lot of work around oracy (speaking skills). Teachers are planning loads of exciting ways to help children develop the skills and confidence to be great public speakers. Group work is an important part of this and children often work and present their work together. This helps them build confidence and share the workload. We film these presentations to help the children review their work and to support our assessments. We want this evidence to be posted onto Seesaw so children have a record of where they are at now and can see the progress they make over time. The implication of this is that there will be times when your child appears on another child's portfolio. If you are happy for this, then **YOU DO NOT NEED TO DO ANYTHING**. Your existing permission will stand.

**If you do not want them appearing on other people's Seesaw accounts for group work, then please return the signed slip below** by Friday 26<sup>th</sup> November at the latest. Please note they will still be able to use Seesaw as normal. It will just mean that any group work there are part of will not be posted.

Yours faithfully,

Peter Hubery  
Deputy Headteacher

-----

**Please sign below and return the form.**

I do not give consent for my child to appear in group work on Seesaw.
