

Dear families,

From the head

Welcome to this week's newsletter. I'd like to start off with a few reminders.

School gates - Each morning, the school gates open at 8.40am. A number of parents have noticed our children playing outside, including in the road before this time. If you do need to drop your children at school earlier than 8.40am we have a popular daily breakfast club that starts at 8.00am. Classroom doors open at 8.45am so children can read and get settled before school officially starts at 8.55am.

Bicycles and Scooters - Can I please request that you support us in asking your children do not to ride their bikes or scooters in the playground at the beginning or the end of the school day, this is a busy time and recently there have been a number of "near misses".

Jewellery - Parents, a reminder that children should not be wearing hooped earrings, large stud earring, rings, or bracelets. Many thanks in advance for your support with the above, which are all measures that help to keep everyone safe.

Swimming - 6H had their first swimming lesson this week. Feedback from those involved was that the children did us proud. I know the children thoroughly enjoyed the session and are already looking forward to the next one. We are looking at how we can give more year groups the opportunity to swim so watch this space!

Winter is coming! - The days are getting darker and the temperature is dropping. The summer seems like a very long time ago! As we approach the colder months, please ensure your child is wearing an appropriate coat and for when it is very cold, maybe hat, scarves and gloves. Please make sure that all items of clothing have your child's name inside.

Extra Curricula Activities - One of the things we are keen to introduce is clubs at both lunch time and after school so we will be talking to our children next week to see what sort of activities they would like to see offered.

I wish you all a relaxing weekend
Ms Abbott

BOOK SWAP SHOP

We are looking to introduce a Book Swap Shop.

The idea is that, after school, the Book Swap Shop will be open at the front of the school. Families simply bring an unwanted children's book into school to swap it for a different one. Then, once you have read that, feel free to bring it back and keep swapping!

The first Book Swap Shop will be in October. Please have a look to see if you have any books at home ready to bring to the "Swap Shop"

On Thursday 6th October we have a change to the lunch menu!
