

From the head

After such a positive start to the new term, and the children settling so well, we received the very sad news last week of the Queen's death. We have marked this in school with in class assemblies. We talked about our Jubilee celebrations of the summer and the book they received and what the Queen has meant to so many people and why. As you will be aware Monday is a public holiday and all schools will be closed.

We have again had comments and complaints from our neighbours about inconsiderate parking on Turner Road and Waterworks Road. Parents are blocking the resident's driveways and parking on double yellow lines. We also had an incident of a car driving on the pavement to park close to a child who was using the pavement to walk on. For us all the safety of our children is our primary focus so thank you in advance for your support with this.

Sadly, I have also received complaints from neighbours that children from our school are knocking on their windows as they walk past, which local residents find both irritating and frightening. If this continues they have informed me that they will send me footage from their door bell cameras so we can identify who they are, I hope this will not be necessary...

**Have a good weekend and we look forward to welcoming our children back on
Tuesday 20th September.**
