

Dear families,

From the head

I thought I would start this week's newsletter writing about our newsletter!

School Newsletters - We regularly email parents with school news and updates so please ensure you contact our school office if your email address changes. If you would like any of our newsletters or documents as a printed copy please contact our school office. There are a number of different ways that we communicate with our families, not only email, but also phone and sometimes even post so please ensure we have your update to date contact details.

Parents Evening - This year Parent's Evening will be in person. You will be able to sign up for a ten minute slot. If you arrive ten minutes early, you will also have chance to view your children's books. Please be aware that we ask all parents to keep to the time limit so that other families are not kept waiting. Should you start to run over your allotted ten minutes, the class teacher will ask that you make a further appointment for another time.

Our Parent's Evenings are being held on Tuesday 18th from 3.30pm until 6.00pm and Thursday 20th October from 3.30pm until 7.00pm. **Booking will be made online and full information of how to do this will be sent out next week.**

Holidays - Whilst we do not authorise term time holidays, we do ask that you let us know. Please ask the office for an Absence Form should you need one.

Contacting Staff - Increasingly parents are emailing day to day information directly to teachers. This information is often not read as teachers are teaching and cannot respond in a timely fashion to emails.

Therefore, please email the office regarding most matters:
office@wensum.norfolk.sch.uk or telephone 01603 620877 thank you.

Safeguarding Concerns - Safeguarding concerns can still be raised by talking to us or by email to either Ms Abbott (Designated Safeguarding Lead) Miss Glen (Deputy Safeguarding Lead) or Mrs Bulman (Deputy Safeguarding Lead)

Have a lovely weekend

Mrs Abbott

BE SMART ONLINE

S SAFE Keep your personal information safe. When chatting or posting online don't give away things like your full name, password or home address. Remember personal information can be seen in images and videos you share too. Keep them safe to keep yourself safe.

M MEET Meeting up with someone you only know online, even a friend of a friend, can be dangerous as this person is still a stranger. If someone you only know online ever asks you to meet up, for personal information or for photos/videos of you then tell an adult straight away and report them together on www.thinkuknow.co.uk

A ACCEPTING Think carefully before you click on or open something online (e.g. links, adverts, friend requests, photos) as you never know where they may lead to or they may contain viruses. Do not accept something if you are unsure of who the person is or what they've sent you.

R RELIABLE You cannot trust everything you see online as some things can be out of date, inaccurate or not entirely true. To find reliable information compare at least three different websites, check in books and talk to someone about what you have found.

T TELL Tell a trusted adult if something or someone ever makes you feel upset, worried or confused. This could be if you or someone you know is being bullied online. There are lots of people who will be able to help you like your teachers, parents, carers or contact Childline - 0800 11 11 or www.childline.org.uk

BE SMART WITH A HEART
Remember to always be smart with a heart by being kind and respectful to others online. Make the internet a better place by helping your friends if they are worried or upset by anything that happens online.
