

Welcome back after half term! We have had a really successful week and it is great to see children so settled to their learning around the school.

We participated in our first sporting event this year today and we are so pleased by the number of children who have been committed to participating in the running club regardless of the weather. We are starting to plan our own sporting event and will be inviting a number of local schools to attend.

We have a large number of items in our lost property box and unfortunately a number of these do not have names on them. We will be putting the box out in the playground a couple of days a week so that you can look through it then for any misplaced items.

I am so impressed by the lovely manners of the children at Wensum and really enjoy my gate duty and chance to say good morning and have a quick chat with lots of you. It really sets me off for a great start to the day!
