

Wensum Junior

Attendance Policy

2023 - 2024

Headteacher: Mrs Corrina Peachment
Policy due for review: February 2025

1. **Rationale**

The Evolution Academy Trust is committed to providing a full and efficient education to all pupils and embraces the concept of equal opportunities for all. This Policy has been developed in order to give a consistent response to all students and families in our care.

The Trust wants to do its best for all its young people and believes that regular attendance at School is vital for children as it promotes good learning, positive attitudes and maintains continuity in their education and in their friendships. Students should be at school on time every day the school is open unless the reason is unavoidable. Permitting absence from the school without a good reason is an offence by a parent. The Trust will endeavour to provide an environment where all pupils feel valued and welcome.

For a child to reach his/her full educational achievement, a high level of education attendance is essential. The Trust will consistently work towards a goal of 100% attendance for all children. Every opportunity will be used to convey to pupils and their parents or carers the importance of regular and punctual attendance.

Attendance is subject to various education laws and this Policy is written to reflect these laws and the guidance produced by the Department for Education.

Each year the Trust schools will examine their attendance figures and set attendance/absence targets, which will reflect both national and Trust attendance targets. The Trust and its schools will discuss their attendance figures and the success of this Policy on an annual basis and will review its systems for improving attendance at regular intervals to ensure that it is achieving its set goals.

2. **Procedures**

Any student who is absent from School at the morning or afternoon registration period must have their absence recorded as being authorised, unauthorised or as an approved educational activity. Only the Headteacher or a member of staff acting on his/her behalf can authorise absence. If there is no known reason for the absence at registration, the absence must be recorded in the first instance as unauthorised.

The coding for any absences will be in accordance with the guidance provided by the Department for Education.

3. **Lateness**

The Trust schools set their own registration times. Morning registration will take place at the start of the Wensum Junior School day at 8.50 am. The registers will remain open for (30) minutes. Any child arriving after this time (9.20am) will be marked as having an unauthorised absence unless there is an acceptable explanation such as delayed 'school' transport. In cases, for example, where the absence at registration was for attending an early morning medical appointment, the appropriate authorised

absence code will be entered. Medical evidence may be requested to support the absence.

Students arriving after the start of 'school' but before the end of the registration period will be treated, for statistical purposes, as present but will be coded as late before registers close.

4. **First Day of Absence**

On the first day of an absence, parents/carers should contact their child's school before the registration period closes. If no contact has been made, the school will endeavour to contact parents/carers as quickly as possible during the 'school' day and will transfer information to the registers, alerting the Headteacher or other key staff to any wellbeing issues.

If no contact is received from parents by the end of the morning of absence, the school will phone, text or email them. The school will continue to make daily contact until a response is received and will also make general enquires during this time and try other emergency contact numbers.

5. **Ten Days' Absence**

Any pupil who is absent without an explanation for ten consecutive days will be notified to the relevant Local Authority, by submitting a referral to the Children's Services Attendance staff for the local area. This is a legal requirement. The school will include details of the action they have taken.

6. **Absence Notes**

Notes of telephone calls received and written notes received from parents explaining absence should be kept for the remainder of the academic year. If there are attendance concerns about the child which may require further investigation the notes may need to be retained for a longer period.

If there are attendance concerns about the child, further medical evidence must be produced (e.g. doctor's note, prescription, medicine label). Head Teachers retain the right to un-authorise absence without medical evidence.

7. **Frequent Absence**

It is the responsibility of all staff in each school to be aware of, and bring attention to, any emerging attendance concerns. In cases where a pupil begins to develop a pattern of absences, the school will try to resolve the problem as soon as possible. Attendance is monitored periodically. When a pupil's attendance falls lower than the national average or causes concern, parents will be contacted by the school. The school will look for patterns and reasons for absence, making parents aware of the number of absences and the importance of attendance etc. Additional support may be available from outside agencies and in some cases, the school will seek advice from the Attendance Improvement Officer. Action may include the use of the Fast

Track system and/or Fixed Penalty Notices. Monitoring will continue and a Common Assessment Framework meeting could be considered.

8. Persistent Absence [PA]

All pupils whose attendance level falls below **96%** will be subject to an action plan to support their return to full attendance. The School's Attendance Officer will set up these action plans. The action plan will include engagement with all parties who can support the child's attendance and details of systems such as Fast Track, Attendance Panels, and Family Support Processes utilised by the school.

PA is currently set at **90%** (**DfE definition: a pupil is classed as a persistent absentee if they miss 10% or more of their possible sessions**) therefore intervention should be happening well before attendance falls to this level.

9. A Welcome Back

It is important that on return from an absence, all pupils are made to feel welcome. This should include ensuring that the pupil receives help to catch up on missed work and is updated on any information, which has been passed to other children.

10. Safeguarding

Attendance is an important element of Safeguarding and schools should put in place appropriate safeguarding responses for children who go missing from education, particularly on repeat occasions.

Emergency contact numbers should be provided and updated by the parent with whom the pupil normally resides. Schools should hold more than one contact number; this goes beyond the legal requirement but is good practice. Doing so provides schools with additional options for making contact with a responsible adult when a child is missing school and is also identified as a welfare and/or safeguarding concern.

Schools should always follow-up any absences to ensure that the proper safeguarding action is taken.

DSLs should check the absence list on a daily basis to ensure that appropriate follow up action can be taken where required.

11. Promoting Attendance

The Evolution Academy Trust family of schools work actively together to improve attendance in our area and give consistent messages about the importance of good attendance. Each school will use opportunities as they arise to remind parents/carers of their responsibility to ensure that their children receive education and will make clear the links between attendance and attainment. Information about attendance, procedures and attendance rates is published in the School Prospectus. The Home/School Agreement mentions the importance of good attendance and the parents'/carers' responsibility. A promotional leaflet is also used.

12. Attendance Awards

School will reward pupils who have good or improving attendance, in particular through praising the individual child and, for example, by awarding certificates and class attendance breakfasts.

13. Holidays and absences (other than medical) in Term Time

Holidays during term time are not permitted **and will not be authorised**. Most other absences, unless medical in nature, are not permitted (see below, under Authorised Absences for possible exceptions). Parents will be reminded of the effect absence can have on a pupil's potential achievement. Absences in term time will only be authorised in exceptional circumstances and parents must apply in writing to the school.

<https://www.norfolk.gov.uk/-/media/norfolk/downloads/education-learning/application-for-pupil-leave-of-absence-from-school-during-term-time.pdf?la=en>

Exceptional circumstances must exist for authorisation to be given for all types of personal leave. There must be a very strong case for why it would be impossible or unfeasible for the pupil to attend school, and why it is impossible for the parent(s) to take holiday in any of the available school vacations. Unfortunately, requesting absence for a holiday in term time because the costs are too high in the summer break is not an exceptional circumstance: other vacation periods are available.

There is no complete definition of 'exceptional circumstances'. Each case is different and must be treated as such. Each application is individual to the pupil and it is for the Headteacher of the school to come to a decision. The law tells us that even though a family may have one set of exceptional circumstances to be considered, the circumstances of each child must also be considered. Examples of exceptional circumstances could include a sudden **immediate** family bereavement, a parent who is a member of the armed forces and is unable to take leave at other times or a parent is employed by the emergency services and is required to work for a national event leading to leave being cancelled.

“Head teachers should not grant leave of absence unless there are exceptional circumstances. The application must be made in advance and the head teacher must be satisfied that there are exceptional circumstances based on the individual facts and circumstances of the case which warrant the leave. Where a leave of absence is granted, the head teacher will determine the number of days a pupil can be away from school. A leave of absence is granted entirely at the head teacher’s discretion.” DfE School Attendance Guidance 2016

Should you request leave of absence for more than one child, at different schools, Principals/Headteachers are likely to discuss the application together and will attempt to reach one decision.

In some Year groups, due to teacher and statutory assessments and controlled assignments, no absences will be authorised during certain periods, e.g. SATs and exam periods.

The school will seek to respond to applications within five working days, though this is not always possible. Please remember that we must have sufficient advanced notice to consider applications. Not all absences taken without prior authorisation can be authorised after the event.

Should you not wish to accept the decision of the Headteacher, you may appeal to the governors in writing care of The Clerk to the Governors at your child's school. You should do this within 10 days of receipt of the school's decision.

14. Categorisation of Absence

Any child who is on roll but not present in the school must be recorded within one of these categories.

1. Unauthorised Absence

Children where no reason has been provided, or whose absence is deemed to be without valid reason.

2. Authorised Absence

Children who are away from the school for a reason that is deemed valid under the Education Act 1996.

Authorised absences include illness, religious observance, exclusions from school and Gypsy, Roma and Traveller absence. Medical or dental appointments may be authorised should there be no alternative times available, as may be the case with hospital appointments. However, routine check-ups or GP visits should take place outside school hours where possible. Illness must be notified to the school on the first morning. Medical notes may be requested if the absence is prolonged or recurring.

3. Approved Educational Activity

Supervised educational activity undertaken off site but with the approval of the school. Children recorded in this category are deemed present for attendance returns purposes. This would include:

- Work experience placements
- Field trips and educational visits
- Sporting activities
- Link courses or approved education off site

If a child is receiving education off site or is attending at a school/academy where they are dual registered, the school will liaise with the other education provider to check on attendance.

15. The Registration System

Schools will use a computerised system for maintaining attendance records. The following national codes will be used to record attendance information

16. Record Preservation

Schools must ensure compliance with attendance regulations by keeping attendance records for at least 3 years.

Computer registers will be printed out at least once a month and bound into annual volumes or preserved as electronic back-ups or microfiche copies and will be available for each month.

17. Register Security

Registers or attendance marking sheets if used must be safely stored.

18. Attendance Targets

The Trust schools will set attendance targets each year. A system for analysing performance towards the targets will be established and a Senior Leader will be responsible for overseeing this work and will make use of the attendance data available on the ASP (Analysing School Performance) system when setting its target. Targets will relate to national averages.

19. Attendance Governor

Each school will have a named governor for attendance.

Appendices The Law

The Education Act 1996 Part 1, Section 7 states:

The parent of every child of compulsory school age shall cause him/her to receive efficient fulltime education suitable –

[a] To his age, ability and aptitude and [b] To any special needs he/she may have either by regular attendance at school or otherwise.

For educational purposes the term parent is used to include those that have parental responsibility and/or those that have the day to day care of the child.

The legislation that appertains to children who are of compulsory school age and are registered at school is contained within this Act.

Part V1 Section 444 contains the details of when an offence is committed if a child fails to attend school.

Register and Admission Roll keeping.

The legal requirements are found in:

The Education [Pupil Registration] (England) Regulations 2006.

Absences during Term Time

Parents/carers are required under the Education Act (2006) to ensure their child attends the School regularly.

Amendments have been made to the 2006 regulations in the Education (Pupil Registration) (England) (Amendment) Regulations 2013. These amendments make clear that Head Teachers may not grant any leave of absence during term time unless there are exceptional circumstances.

Schools will not authorise absences if they believe it is to the detriment of a child's education or if the absences are during School exam periods and SATs.

Before applying parents/carers are advised to consider very seriously how the absences will affect their child's education. Schools are not obliged to provide work for children taking leave of absence, however some may choose to do this.

The Government states that any excessive absence or any refusal of leave of absence must be recorded as unauthorised on the child's records. Parents/carers need to be aware an accumulation of unauthorised absences will result in Penalty Notices or legal proceedings being taken.

Penalty Notices

Penalty Notices are fines of £60 to £120 imposed on parents per pupil. They are an alternative to the prosecution of parents for failing to ensure that their child, of compulsory school age, regularly attends the school/academy where they are registered or at a place where alternative provision is provided.

They can only be issued by the Headteacher or someone authorised by and through the Local Authority Officer or the police. All schools/academies in Norfolk must send penalty notices to be issued to the Local Authority, and the police must send copies of penalties to the Local Authority.

Penalty notices are issued to each parent liable for the attendance offence or offences.

Penalties can be used where the pupil's absence has not been authorised by the school. Penalties may also be issued where parents allow their child to be present in a public place during School hours without reasonable justification during the first five days of a fixed period or permanent exclusion. The parents must have been notified by the school at the time of the exclusion of this and the days to which it applies.

Parents are advised to discuss with the school any request for leave of absence prior to making any bookings. Our School's designated person is ultimately the Headteacher. It is the parent/carers responsibility to ensure confirmation is received from the School before

The Headteacher is responsible for reporting on attendance to the relevant Joint Accountability Group.

The Directors of Education are responsible for reporting on attendance to the relevant Education Sub Committee of the Board.
